

Configuring Email Forwarding in MyYC

1. Go to Email
2. Click the **Filters** link in the **Tools** menu on the left

3. Click **Forwarding Filter** on the Incoming Mail Filters screen

4. Enter your preferred email address in the **Forward E-mail to** field.
Check **Keep a copy in INBOX** to allow a copy of the email to remain in your MyYC Inbox.
Check **Forwarding Enabled** to activate email forwarding.
Click the **Save** button to save the settings.

Please note: the forwarding may take up to 30 minutes to take effect
